

SAINT ROCH RESTAURANT

THE ULTIMATE DINING EXPERIENCE

THE RESTAURANT

The gourmet Saint Roch Restaurant has a calm and relaxing atmosphere with light wood flooring and comfortable wicker chairs. Our restaurant menu changes according to the seasons. Our Chef Fabrice Taillard, originally from the Côte d'Azur where he worked in luxury hotels, prepares fine cuisine, using fresh products only.

The restaurant is open all year round. There is a terrace available on sunny days overlooking the garden and a play area for children.
